Edward Ramsamy, Ph.D.
Associate Professor
Dept. of Africana Studies
Dr. Ramsamy is Associate Professor of Africana Studies and member of the graduate faculty of Geography, and the graduate faculty of Urban Planning and Policy Development at the Bloustein School. He is the author of the book *The World Bank and Urban Development: From Projects to Policy* (Routledge, 2006).

Carlos Fernandez, Ph.D.
Director, Center for Latino Arts and Culture
Dr. Fernandez joined the Center for Latino Arts and Culture in 2005. He holds a doctorate in folklore from Indiana University, where he specialized in ethnomusicology. His scholarly research has focused on popular religious practice and traditional music of Central America and the Caribbean and includes several articles and a book, *Romancero y Cancionero Tradicional de Costa Rica* (1999).

Peter Guarnaccia (Ph.D., University of Connecticut, 1984, Medical Anthropology) is Professor I in the Department of Human Ecology and Investigator at the Institute for Health, Health Care Policy and Aging Research at Rutgers University. He has contributed to research, conceptual development and applied applications to many of the important areas in culture and mental health research: cultural analyses of psychiatric epidemiology; and the integration of cultural syndromes into psychiatric epidemiology and clinical research among many others.
