

## CARA L. CUITE

Rutgers, The State University of New Jersey  
55 Dudley Road, New Brunswick, NJ 08901-8559  
<https://humanecology.rutgers.edu/faculty.asp?fid=56>  
cuite@rutgers.edu

Updated 6/7/22

### PROFESSIONAL EXPERIENCE

#### ***Education***

- |      |  |
|------|--|
| 2003 | Ph.D. Social/Health Psychology, Rutgers University, New Brunswick, NJ.<br>Dissertation: A Test of Numeric Formats for Risk Communication<br>Dissertation Advisor: Neil Weinstein |
| 1998 | M.S. Social/Health Psychology, Rutgers University, New Brunswick, NJ.  |
| 1992 | B.S. Psychology/French, Union College, Schenectady, NY.  |

#### ***Appointments***

- |              |   |
|--------------|---|
| 2016-present | Assistant Extension Specialist, Department of Human Ecology, Rutgers University |
| 2010-2016    | Associate Research Professor, Department of Human Ecology, Rutgers University   |
| 2006-2010    | Research Project Manager, Food Policy Institute, Rutgers University             |
| 2003-2006    | Researcher, Food Policy Institute, Rutgers University                           |
| 2001-2002    | Research Analyst, Center for State Health Policy, Rutgers University            |

#### ***Professional Affiliations***

- |              |   |
|--------------|---|
| 2020-present | Member, Center for Agricultural Food Ecosystems, Rutgers University                               |
| 2020-present | Core member, Rutgers Global Health Institute, Rutgers University                                  |
| 2019-present | Core member, Office of Urban Extension and Engagement, Rutgers University                         |
| 2019-present | Affiliate faculty, Ralph W. Voorhees Center for Civic Engagement, Rutgers University              |
| 2018-present | Full member, Graduate Faculty, Bloustein School of Planning and Public Policy, Rutgers University |

- 2018-present Full member, Graduate Faculty, Higher Education Program, Graduate School of Education, Rutgers University
- 2018-present Member, Rutgers Institute of Earth, Oceans, and Atmospheric Sciences
- 2017-present Full member, Graduate Faculty, Department of Nutritional Sciences, Rutgers University

***Honors and Awards***

- 2022 Best Great Educational Material (GEM) Article of the Year, Journal of Nutrition Education and Behavior (with J. Shukaitis and S. Elnakib).
- 2022 Outstanding Contribution to Literature or Research Award, National Association of Student Personnel Administrators, Region II (with S. Brescia).
- 2022 Best of the Best Team Award, Team Leader for NJ Farmworker Vaccination Project, Rutgers Cooperative Extension, Rutgers University (with M. Melendez, R. VanVranken, and team).
- 2022 Innovation in Programming Award, National Extension Association of Family & Consumer Sciences–NJ (with J. Shukaitis and S. Elnakib).
- 2021 Campus Partner of the Year Award, Division of Student Affairs, Rutgers-New Brunswick.
- 2019 [Top 50 Rutgers University Experts Most Cited in the News Media](#), 2018-2019.
- 2019 Outstanding Service Award, Rutgers Against Hunger. The Center for Great Expectations, Somerset, NJ. (with L. Errickson and K. Willson).
- 2019 Team Excellence Award, Team Leader of Evaluation of Breakfast After the Bell. School of Environmental and Biological Sciences, Rutgers University (with J. Shukaitis and G. Pope-McKeon).
- 2019 Faculty Partner of the Year, The Collaborative Center for Community-Based Research and Service, Rutgers University.
- 2019 Early Career Service Award, Epsilon Sigma Phi, Alpha Xi Chapter.
- 2019 Team Award, Team Leader of Evaluation of Breakfast After the Bell, Epsilon Sigma Phi, Alpha Xi Chapter. (with J. Shukaitis and G. Pope-McKeon).
- 2018 Outreach Excellence Award, School of Environmental and Biological Sciences, Rutgers University.
- 2017 Extension Specialist of the Year, Selected by the Cooperative Extension Agents and Educators, Rutgers Cooperative Extension.

2016 Merle V. Adams Award for Outstanding Achievement as a Junior Faculty Member, Rutgers Cooperative Extension.

2011 Research and Communication Award, Food Distribution Research Society (with B. Onyango, N. H. Hooker, and W.K. Hallman).

2004 Team Excellence Award, Food Biotechnology Program. Cook College/ New Jersey Agricultural Experiment Station, Rutgers University (with W.K. Hallman and team).

## **GRANTS**

### ***External (Total = \$9,117,712)***

Co-Investigator, Mobile Remote Sensing and Artificial Intelligence-Guided Precision Management Program for Turfgrass Water Conservation. Specialty Crop Research Initiative, United States Department of Agriculture. PI: Bingru Huang. \$3,999,741 (September 1, 2021 - August 31, 2026).

Principal Investigator, Hunger Free Campus Grant for Rutgers-New Brunswick. Office of the New Jersey Secretary of Higher Education. \$99,647 (June 1, 2021 - September 30, 2023).

Principal Investigator, "Local catch-of-the-day:" Connecting NJ Seafood Harvesters with Culturally and Economically Diverse Customers. New Jersey Sea Grant, \$136,897 (January 2020 - January 1, 2023).

Senior Personnel, Reducing Household Food, Energy, and Water Consumption: A Quantitative Analysis of Interventions and Impacts of Conservation. National Science Foundation INFEWS/T3. PI: David Watkins. \$2,983,358 (October 2016 - September 2023).

Principal Investigator, NJ Farmworker Immunization Education Project. Extension Foundation EXCITE Program. \$24,178 (May 2021 - May 2022).

Senior Personnel, RAPID: COVID-19, Consumption, and Multi-dimensional Analysis of Risk (C-CAR). National Science Foundation. PI: David Watkins. \$190,764 (September 1, 2020 - May 31, 2022).

Principal Investigator, Expansion of Veggie Rx. Rutgers Community Health Foundation. \$12,440 (May 1, 2021 - April 30, 2022).

Investigator, Market Ambassadors: An Innovative Approach to Increasing Sales of Local "Jersey Fresh" Foods at Urban Farmers Markets. Farmers Market Promotion Program, United States Department of Agriculture. PI: Lauren Errickson. \$249,960 (September 2018 - September 2022).

Co-Principal Investigator, Working Together for a Food Secure New Brunswick: A Community Food Assessment and Roundtable. Johnson & Johnson Corporate Contributions. \$140,000 (July 2014 - June 2017).

Principal Investigator, Best Practices in Coastal Storm Risk Communication. National Oceanic and Atmospheric Administration (NOAA), NJ Sea Grant Coastal Storm Awareness Program. \$149,805 (January 2014 - April 2015).

Co-Project Director, Improving the Safety and Nutritional Adequacy of the Home Food Supply of Elderly Recipients of Home Delivered Meals. United States Department of Agriculture (USDA), National Institute for Food and Agriculture (NIFA), National Integrated Food Safety Initiative. PI: William Hallman. \$600,000 (September 2010 – August 2014).

Principal Investigator, Experimental Evidence for Best Practices in Food Crisis Communication. National Center for Food Protection and Defense, A Homeland Security Center of Excellence. \$330,922 (September 2010 – March 2013).

Co-Investigator, Food Nanotechnology: Understanding the Parameters of Consumer Acceptance. United States Department of Agriculture (USDA), Cooperative State Research, Education, and Extension Service (CSREES), National Research Initiative. PI: William Hallman. \$200,000 (January 2009 – December 2011).

***Internal (Total = \$37,000)***

Principal Investigator, Evaluation of Breakfast After the Bell in New Brunswick Public Schools. University Community Partnership Grants; \$20,000 (July 2016-June 2017).

Principal Investigator, Increasing Food Security for the Homebound Elderly in New Brunswick. Rutgers University Community-University Research Partnership Grant for New Brunswick; \$17,000 (July 2012 – June 2013).

- Condry, S.C., Hallman, W.K., **Cuite, C.L.**, & \*Vata, M. (December 4, 2006). American's knowledge, perceptions, and probable responses to the threat of Avian Influenza in poultry. Invited paper within the session "The risk communication challenges of Avian Influenza / pandemic flu: Global, national, and theoretical perspectives," presented to the 26th Annual Meeting of the Society for Risk Analysis, Baltimore, MD.
- Condry, S.C., **Cuite, C.L.**, & Hallman, W.K. (September 27, 2006). Relationship between Salmonellosis knowledge, risk perceptions, and behaviors. Paper presented to the 3rd National Food Safety Education Conference, Denver, CO.

## **INVITED PRESENTATIONS AND OTHER EXTENSION TEACHING**

### ***Keynotes***

- Cuite, C.L.** (April 29, 2015). Public perceptions of genetically modified foods. Invited Keynote Address to the Extension Risk Management Education National Conference, Minneapolis, MN.

### ***Plenary***

- Cuite, C.L.** (June 28, 2017). Psychology of food risks. Invited plenary address to Third International Workshop on Animal Biotechnology, sponsored by the USDA Foreign Agricultural Service and the US State Department, University of Virginia, Charlottesville, VA.
- Cuite, C.L.** (December 14, 2016). Public perceptions of genetically modified foods. Invited plenary presentation to the What is Natural Conference, Jamesburg, NJ.

**Cuite, C.L.** (September 17, 2015). Labeling genetically modified foods: Public perceptions. Invited plenary presentation to the Minnesota Crop Insurance Conference. Mankato, MN.

**Cuite, C.L.** (April 17, 2008). What consumers really want to know about food recalls. Invited plenary presentation to the 2008 Grocery Manufacturers' Association Consumer Complaint Conference, Dallas, TX.

***Invited Presentations and Panels: Extension Teaching***

**Cuite, C.L.** (May 5, 2022). Communicating with the public about climate change. Invited by FEMA as part of a panel "Fundamentals of Climate Change and Impacts in New Jersey." New Jersey Emergency Management Conference. Atlantic City, NJ.

**Cuite, C.L.** (April 1, 2022). Food insecurity at Rutgers-New Brunswick. Rutgers Faculty Senate-Student Affairs Subcommittee. (Online.)

**Cuite, C.L.** (January 13, 2022). Survey methods for Extension professionals: Displaying your data. Invited presentation to Rutgers Cooperative Extension Annual Conference. (Online.)

**Cuite, C.L.** (November 30, 2021). Food and other basic needs insecurity among students at Rutgers-New Brunswick. Invited presentation as Giving Tuesday Featured Speaker, Full Plates Hungry Minds: The Fight to Assure Food Security at Rutgers. Rutgers University Alumni Association and Rutgers Foundation. (Online.)

**Cuite, C.L.** (November 15, 2021). Misinformation and What Extension Professionals Can Do About It. Invited Presentation to the NJ Chapter of National Extension Association of Family and Consumer Sciences Annual Meeting. (Online.)

**Cuite, C.L.** (October 29, 2021). Invited Panel Member for Child Health and Nutrition: In the Community, NJ Healthy Kids Initiative Lessons Learned, Future Opportunities Virtual Summit. (Online.)

**Cuite, C.L.** (October 14, 2021). Basic needs insecurity at Rutgers-New Brunswick. Rutgers Town Hall. Invited by the Rutgers University Student Assembly. New Brunswick, NJ. (Online.)

**Cuite, C.L.** (September 30, 2021) Food insecurity in NJ Higher Education. Invited panelist for NJ Food Democracy Collaborative. (Online.)

**Cuite, C.L.** (September 20, 2021) Food Insecurity at Rutgers-New Brunswick. Invited presentation to the Rutgers Alumni Association Executive Board. (Online.)

**Cuite, C.L.** (August 5, 2021) Invited panelist on Confronting Food Insecurity Among Black and Brown College Students. Millennials 4 Environmental Justice(M4EJ) Food 4 Thought Series. (Online.)

- Cuite, C.L.** (June 24, 2021). Panelist on Food Insecurity for Green Team Program on Urban Agriculture, Food Waste, and Food Insecurity. PSEG Institute for Sustainability Studies Green Teams Internship Program. Montclair University, Montclair, NJ. (Online.)
- Cuite, C.L.** (June 17, 2021). Misinformation and communicating about science. Invited presentation for University of Delaware Cooperative Extension Department of Agriculture and Natural Resources. Newark, DE. (Online).
- Cuite, C.L.** (June 16, 2021). New Brunswick Community Food Alliance-Ten years later. Panel presentation at Building our Table: Expanding Food Policy Councils/Food System Alliances for NJ, NJ Food Democracy Collaborative, Stockton University, Stockton, NJ (Online).
- Cuite, C.L.** (June 15, 2021). Why food risks are unique. Invited presentation to the Risk Communication Workshop, Joint Institute for Food Safety and Applied Nutrition, Food and Drug Administration. (Online).
- Cuite, C.L.**, (April 21, 2021) Montclair Earth Week 2021 - Sustainable Food, Invited Panelist for Montclair State University Montclair Climate Action, PSEG Institute for Sustainable Studies. (Online).
- Cuite, C.L.** (April 13, 2021) Farm to pharmacy: Creating inclusive, healthy local food economies through healthcare. Invited panelist for NJ Food Democracy Collaborative, Stockton University, Stockton, NJ. (Online).
- Hallman, W.K., **Cuite, C.L.** (March 16, 2021). Misinformation, food and health. Presentation invited to Shelf-Stable Food Processors Association 99th Annual Meeting, Washington, DC. (Online).
- Hallman, W.K., **Cuite, C.L.**, Schaffner, D. (March 9, 2021). Misinformation and food safety. Pre-conference workshop presentation invited to 2021 Consumer Food Safety Education Virtual Conference, Partnership for Food Safety Education. (Online.)
- Cuite, C.L.** (January 28, 2021) Rutgers-New Brunswick student food insecurity. Invited presentation to "Scrap Student Hunger" event hosted by Scarlet Seniors Class of 2021 Campaign, New Brunswick, NJ. (Online).
- Cuite, C.L.** (November 10, 2020). Rutgers-New Brunswick 2019 basic needs insecurity- Research and philanthropy. Student Affairs Development event for RU-NB Alumni. New Brunswick, NJ. (Online).
- Cuite, C.L.** (March 10, 2020). Invited Panelist for "The Impact of Food on Academic Behavior, Attendance, Performance and Attrition." Hunter College NYC Food Policy Center, New York, NY.
- Cuite, C.L.** (June 18, 2019). Understanding the American Public's Perceptions of Genetically Modified Food. Presented as part of "Advanced technical training program: Safety

Assessment of Foods and Feeds Derived from Genetically Engineered Plants.” Program for Chinese scientists. ILSI Research Foundation, Washington, DC.

**Cuite, C.L.** (May 2, 2019). NJPIRG panel presentation on student food insecurity at Rutgers-New Brunswick, New Brunswick, NJ.

**Cuite, C.L.** (May 1, 2019). Extension of best practices in coastal storm risk communication. Invited presentation to the NY Sea Grant Site Review, Ithaca, NY.

**Cuite, C.L.**, Hallman, W.K., Shwom, R.L., Demuth, J.L., Morss, R. (June 26, 2018). Perceptions of hurricanes vs. Nor’easters. Invited presentation to the American Meteorological Society’s Ad Hoc Committee on Naming Winter Storms. (Online.)

**Cuite, C.L.** (January 31, 2018). Food insecurity in the New Brunswick community. Serving Together. The Collaborative Center for Community-Based Research and Service, Rutgers University, New Brunswick, NJ.

**Cuite, C.L.** (August 21, 2019). Case study of Breakfast After the Bell in New Brunswick. Presented at Breakfast After the Bell: Making it Work in Your School, a Webinar for School leaders, Hunger Free New Jersey & Rutgers Cooperative Extension.

**Cuite, C.L.**, Capece, A., Errickson, L., Fitzgerald, N., Michael, A., Molina, Y., Reyes, L., Schlesinger, A., (December 8, 2017). Panel discussion on challenges and successes of the New Brunswick Community Food Alliance. Ag in the City Conference. Rutgers University, New Brunswick, NJ.

**Cuite, C.L.**, Hallman, W.K., Lull, R., & Tallapraggada, M. (June 30, 2017). Principles in risk communication for animal biotechnology. Invited presentation to the Third International Workshop on Animal Biotechnology, sponsored by the USDA Foreign Agricultural Service and the US State Department, University of Virginia, Charlottesville, VA.

**Cuite, C.L.** (May 3, 2017). Understanding food insecurity in New Brunswick--Lightning talk. Invited presentation to the Department of Nutritional Sciences, Rutgers University, New Brunswick, NJ.

**Cuite, C.L.** (April 19, 2017). The importance of sustainability in community-engaged research. Invited presentation to the Rutgers University “RU Sustainable” Symposium, New Brunswick, NJ.

**Cuite, C.L.**, Royals, E., & Newman, K. (February 13, 2017). New Brunswick Food System Action Plan. Invited Presentation to the New Brunswick Community Food Alliance Members Meeting, New Brunswick, NJ.

**Cuite, C.L.** (April 11, 2016). Food safety challenges for homebound seniors. Invited presentation to the Iowa Food Safety Task Force, Ames, IA.

- Shwom, R. & **Cuite, C.L.** (March 24, 2016). Experimentally-tested messages for communicating about coastal storms. Invited presentation to the National Hurricane Conference, Orlando, FL.
- Cuite, C.L.** (November 10, 2015). Communicating about coastal storms. Invited presentation to the quarterly meeting of the New Jersey Emergency Management Association, Bordentown, NJ.
- Cuite, C.L.** (May 6, 2015). GMO or No: Public perceptions of genetically modified foods. Invited presentation to the NJ Association for Food Protection, New Brunswick, NJ.
- Hallman, W. K., **Cuite, C.L.**, Getty, T. (September 10, 2015). Emergency preparedness for homebound seniors – Be prepared, be informed, be safe! A webinar sponsored by the National Resource Center on Nutrition and Aging, Washington, DC.
- Cuite, C.L.** (January 16, 2015). Labeling of genetically modified foods: Public perceptions and policy options. Invited presentation to the Delaware Friends of Agriculture, Harrington, DE.
- Hallman, W.K., **Cuite, C.L.**, & Getty, T. (September 23, 2014). Safe Foods for Seniors Begins in the Home: Knowledge, Practices, Risks and Interventions for Homebound Older Adults. Webinar presentation sponsored by the National Resource Center on Nutrition and Aging, Alexandria, VA.
- Cuite, C.L.**, Hallman W.K., & Morin, X. (May 9, 2014). Public perceptions of labeling of genetically modified food. Invited presentation to the New Jersey Agricultural Experiment Station meeting GMOs: Questions and answers for New Jersey farmers. Bordentown, NJ.
- Hallman W.K & **Cuite, C.L** (September 6, 2013). Consumer perceptions of food contamination events. Invited webinar presentation to the National Center for Food Protection and Defense Webinar Series. Chaska, MN.
- Cuite, C.L.** (December, 2012). Communicating with the public about food terrorism events: Results from a national survey. Invited presentation to FDA's Food Defense Oversight Team, Center for Food Safety and Nutrition. College Park, MD.
- Cuite, C.L.** (December, 2012). Results from a national survey using the Food Related Emergency Exercise Bundle (FREE-B). Invited presentation to the Critical Infrastructure Partner Advisory Council Food and Agriculture Sector Joint Quarterly Meeting. Washington, DC.
- Hallman, W. K., Byrd-Bredbenner, C., **Cuite, C.**, & Netteville, L. (July 21, 2012). Improving the safety and nutritional adequacy of the home food supply of elderly recipients of home delivered meals. Poster presented at the Project Directors' Meeting for the National Integrated Food Safety Initiative (NIFSI) program held in conjunction with the International Association for Food Protection's (IAFP) Annual Meeting. Providence, RI.

- Cuite, C.L.** (June, 2012). Public perceptions of food contamination. Part of the session From cows to cantaloupe: Ensuring the security of the global food supply. Invited presentation to the 2012 Biosecurity Conference, BIO Convention. Boston, MA.
- Cuite, C.L.** (September, 2011). Experimental evidence for best practices in food crisis communication. Invited presentation to the National Center for Food Protection and Defense Annual Conference. Chaska, MN.
- Hallman, W.K., **Cuite, C.L.**, & Nucci, M.L. (November 18, 2009). Food recalls and the American public: Research concerning what people hear, know, and do in response to contamination incidents. Invited keynote presentation to the Extension Disaster Education Network (EDEN) Regional Food Protection Conference, Lexington, KY.
- Hallman, W.K., **Cuite, C.L.**, & Nucci, M.L. (October 30, 2009). Communicating with older populations during food recalls. Invited presentation to the Food Forum of the Institute of Medicine of the National Academies, Washington, D.C.
- Hallman, W.K., **Cuite, C.L.**, & Nucci, M.L. (October 27, 2009). Consumer responses to food recalls. Invited keynote presentation to the Extension Disaster Education Network (EDEN) Regional Food Protection Conference, Camp Hill, PA.
- Hallman, W.K., **Cuite, C.L.**, & Hooker, N.H. (May 14, 2009). Public responses to food recalls. Invited presentation to the Partnership for Food Safety Education, Washington, D.C.
- Hallman, W.K., **Cuite, C.L.**, & Hooker, N.H. (April 14, 2009). Communicating with the public about food recalls: Lessons from the Rutgers national survey on food recalls. Invited presentation to the 2009 Science Forum sponsored by the Grocery Manufacturers Association, Arlington, VA.
- Cuite, C.L.** (May 27, 2009). Public response to the *Salmonella* Saintpaul Outbreak of 2008. Part of Communicating about Contaminated Food, Invited presentation to the Food and Drug Administration. Bethesda, MD.
- Hallman, W.K., **Cuite, C.L.**, & Hooker, N.H. (January 9, 2009). Consumer knowledge, attitudes, intentions, and behaviors in response to food recalls. Invited presentation to the Grocery Manufacturers Association, Washington, D.C.
- Cuite, C.L.** & Schefske, S.D., Randolph, E., Hooker, N.H., Nucci, M.L., & Hallman, W.K. (January 8, 2009). Public response to the *Salmonella* Saintpaul outbreak of 2008. Invited presentation to the GMA Industry Affairs Council & Science Institute Recall Working Groups Joint Meeting. Kraft Foods, East Hanover, NJ.
- Cuite, C.L.**, Hallman, W.K., Chess, C., Nucci, M.L., Pleasant, A.F. (March 10, 2008). Looking back, looking forward: Lessons learned from a multi-disciplinary examination of the 2006 spinach recall. Part of Examining the 2006 Spinach Crisis from Multiple Perspectives, presented to the U.S. Food and Drug Administration, Center for Food Safety and Nutrition, College Park, MD.

- Cuite, C.L.**, Hallman, W.K., Chess, C., Nucci, M.L., Pleasant, A.F. (March 10, 2008). Looking back, looking forward: Lessons learned from a multi-disciplinary examination of the 2006 spinach recall. Part of Examining the 2006 Spinach Crisis from Multiple Perspectives, presented to the U.S. Department of Agriculture, Cooperative State Research, Education, and Extension Service, Washington, D.C.
- Hallman, W.K., Condry, S.C., Vata, M., & **Cuite, C.L.** (November 5, 2007). Public perceptions of the threat of avian influenza in the U.S. food supply. Invited paper presented to the 48th annual conference of the Food Distribution Research Society. New Orleans, LA.
- Hallman, W.K., **Cuite, C.L.**, Condry, S.C., & Nucci, M. (April 26, 2007). Public response to the spinach recall of 2006. Invited presentation to the Produce Safety Summit. Palm Springs, CA.
- Hallman, W.K., **Cuite, C.L.**, Condry, S.C., & Nucci, M. (April 4, 2007). Public knowledge and behaviors during the 2006 spinach recall. Invited presentation to the Board of Governors of the New Jersey Agricultural Experiment Station (NJAES). Hammonton, NJ.
- Condry, S.C., Hallman, W.K., **Cuite, C.L.**, & Vata, M. (March 23, 2007). Americans' knowledge, perceptions of risk and probable responses to the threat of avian influenza in U.S. food supply. Invited presentation to the Marketing Policy Conference Bio-terrorism and Natural Disasters: Market and Policy Responses, sponsored by Food and Agricultural Marketing Policy Section (FAMPS), NC-1016, and the Council of Food, Agriculture, and Resource Economics (C-FARE), Washington D.C.
- Cuite, C.L.**, Condry, S.C., & Hallman, W.K. (March 23, 2007). Consumer response to the spinach recall. Invited presentation to the Marketing Policy Conference Bio-terrorism and Natural Disasters: Market and Policy Responses, sponsored by Food and Agricultural Marketing Policy Section (FAMPS), NC-1016, and the Council of Food, Agriculture, and Resource Economics (C-FARE), Washington D.C.
- Hallman, W.K., Condry, S.C., Vata, M., & **Cuite, C.L.** (March 15, 2007). Risk communication and the threat of avian influenza in the U.S. food supply. Invited presentation to the 4th International Bird Flu Summit, Arlington, VA.
- Cuite, C.L.**, Condry, S.C., & Hallman, W.K. (February 15, 2007). The Public's responses to the spinach *E. coli* contamination of 2006. Invited presentation to *E. coli* -- 2007 Understanding, Detecting and Preventing, sponsored by the Biotechnology Center for Agriculture and the Environment Rutgers, The State University of New Jersey, Jamesburg, NJ.
- Cuite, C.L.**, Condry, S.C., & Hallman, W.K. (January 24, 2007). Americans' responses to the spinach *E. coli* contamination of 2006. Invited presentation to the New Jersey Department of Agriculture's Spinach Roundtable, New Brunswick, NJ.
- Hallman, W.K., Condry, S.C., Vata, M., & **Cuite, C.L.** (December 1, 2006). Americans' perceptions of and likely responses to the threat of avian influenza in the U.S. food supply.

Invited presentation to the Office of the Secretary, United States Department of Agriculture, Washington, D.C.

Hallman, W.K., Condry, S.C., Vata, M., & **Cuite, C.L.** (November 11, 2006). Americans' perceptions of the threat of avian influenza in the U.S. food supply. Invited presentation to the 79th annual convention of the Food Industry Association Executives, Sanibel Island, FL.

Hallman, W.K., Condry, S.C., Vata, M., & **Cuite, C.L.** (October 4, 2006). Public perceptions of the threat of avian influenza in the U.S. food supply. Invited presentation to the New Jersey Food Council's Avian Influenza Tabletop Exercise Group, New Brunswick, NJ.

Hallman, W.K., Hebden, W.C., & **Cuite, C.L.** (September 27, 2004). American perceptions of genetically modified foods in 2004. Invited paper presented to the 4th Annual Investigator's Meeting on Consumer Acceptance of Agricultural Biotechnology, Cook College, Rutgers University, New Brunswick, NJ.

Hallman, W.K., Hebden, W.C., Aquino, H.L., **Cuite, C.L.**, & Lang, J.T. (October 15, 2003). Public perceptions of genetically modified foods: A national study of American knowledge and opinion. Invited paper presented to the 3rd Annual Investigator's Meeting on Consumer Acceptance of Agricultural Biotechnology, Cook College, Rutgers University, New Brunswick, NJ.

***Professional and Community Presentations: Extension Teaching***

**Cuite, C.L.** (September 23, 2022). Food insecurity research and programming in New Brunswick. Presentation to Rutgers Nutritional Sciences ISPP Program. New Brunswick, NJ.

**Cuite, C.L.** (July 6, 2022). Conducting surveys on basic needs insecurity among college students data. Middlesex County Youth Homelessness Task Force. (Online.)

**Cuite, C.L.** (November 17, 2021). Presenting survey data. Lunch and Learn for the Department of Agriculture and Natural Resources, Rutgers University. (Online.)

**Cuite, C.L.** (November 15, 2021). Food insecurity at Rutgers-New Brunswick. Hungry to Learn Event. The Rutgers Collaborative for Community Engagement and Service Learning. (Online.)

**Cuite, C.L.** (October 21, 2021). Food insecurity in NJ higher education. Princeton Junior League. (Online.)

**Cuite, C.L.** (October 20, 2021). Ever wonder if your surveys could be better? Learn how to improve your surveys. Lunch and Learn for the Department of Agriculture and Natural Resources, Rutgers University. (Online.)

- Cuite, C.L.**, (October 13, 2021). Labeling bioengineered foods. Livingston Public Library. (Online.)
- Cuite, C.L.** (October 12, 2021). Misinformation for Extension professionals. Inservice for Rutgers Cooperative Extension. (Online.)
- Cuite, C.L.** (September 15, 2021) Survey data for evaluations. Presented to the Rutgers Cooperative Extension Onboarding Cohort. (Online.)
- Cuite, C.L.** (August 18, 2021) Evaluation for Extension professionals. Presented to the Rutgers Cooperative Extension Onboarding Cohort. (Online.)
- Cuite, C.L.**, (July 20, 2021). New bioengineered food labels. Chester Public Library, Chester, NJ (Online).
- Cuite, C.L.**, (April 14, 2021). Labeling genetically modified foods, Family and Community Health Sciences Wellness Wednesday Webinar. Rutgers Cooperative Extension, New Brunswick, NJ. (Online).
- Cuite, C.L.**, \*Brescia, S., Willson, K., Walzer, M. Bates, L. (November 13, 2020). Rutgers-New Brunswick 2019 Basic Needs Assessment Study. Student Affairs Assessment Spotlight, New Brunswick, NJ (Online).
- Cuite, C.L.**, \*Brescia, S., Wiseman, J., Willson, K., \*Vineis, M., Heath, C. (April 23, 2020). Rutgers New Brunswick student food insecurity: Programming and evaluation. Student Affairs Assessment Spotlight, New Brunswick, NJ (Online).
- Cuite, C.L.** & \*Brescia, S. (April 7, 2020). Preview of the Rutgers Student Quality of Life Study. Chancellor's Task Force on Student Essential Needs, New Brunswick, NJ (Online).
- Cuite, C.L.** & Willson, K. (January 13, 2020). Overview of food insecurity research and programming at Rutgers-New Brunswick. Chancellor's Task Force on Student Essential Needs, New Brunswick, NJ.
- Cuite, C.L.** & \*Brescia, S. (December 4, 2019). Food insecurity at Rutgers-New Brunswick: Implications for Enrollment Management. Invited presentation to Enrollment Management staff, New Brunswick, NJ.
- Cuite, C.L.** (February 27, 2019) Food and housing insecurity among college students. Presented to Famine Weekend, First Presbyterian Church, Metuchen, NJ.
- Shukaitis, J. & **Cuite, C.L.** (January 16, 2019) Breakfast After the Bell Evaluation: Parent takeaways. New Brunswick Middle School Parent Teacher Association Meeting, New Brunswick, NJ.
- Shukaitis, J. & **Cuite, C.L.** (January 9, 2019) Breakfast After the Bell Evaluation: Parent takeaways. Roosevelt Elementary School Parent Learning Night, New Brunswick, NJ.

- Shukaitis, J. & **Cuite, C.L.** (December 10, 2018) Breakfast After the Bell Evaluation: Findings and discussion. New Brunswick Community Food Alliance General Meeting, RWJ Wellness Center, New Brunswick, NJ.
- Shukaitis, J. & **Cuite, C.L.** (November 29, 2018) Breakfast After the Bell Evaluation: Parent takeaways. Lincoln Annex Elementary School Parent Learning Night, New Brunswick, NJ.
- Cuite, C.L.** (November 27, 2018) Food insecurity among students at Rutgers—New Brunswick: Understanding the problem and possible solutions. Presented to the Bloustein School of Planning and Public Policy Ph.D. Student Seminar Series, New Brunswick, NJ.
- Shukaitis, J. & **Cuite, C.L.** (November 12, 2018) Breakfast After the Bell Evaluation: Findings and discussion. Community Engagement Workgroup, New Brunswick Community Food Alliance, RWJ Wellness Center, New Brunswick, NJ.
- Shukaitis, J. & **Cuite, C.L.** (November 5, 2018) Breakfast After the Bell Evaluation: Parent takeaways. Redshaw Elementary School Parent Learning Night, New Brunswick, NJ.
- Cuite, C.L.**, Willson, K. & Daney, J. (June 18, 2018) Food insecurity among students at Rutgers—New Brunswick: Understanding the problem and possible solutions. Health and Wellness Summit, Rutgers Student Affairs, New Brunswick NJ.
- Cuite, C.L.** (August 31, 2016). Food insecurity on college campuses. Presented to the student workers of the Rutgers Food Pantry. New Brunswick, NJ.
- Newman, K. & **Cuite, C.L.** (July 26, 2016). New Brunswick Community Food Assessment. Presentation to the New Brunswick Community Food Alliance, New Brunswick, NJ.
- Cuite, C.L.** (April 26, 2016). Genetically modified foods and the public. Rutgers Master Gardeners Meeting, North Brunswick, NJ.
- Cuite, C.L.** (2015). GMOs: Public perceptions of labels. Invited presentation to Women’s League of Plainfield. Plainfield, NJ.
- R.L. Shwom, W.K Hallman, S. Decker, K. O’Neill, D. Robinson & **Cuite C.L.** (May 26, 2015) Research Study: Best Practices in Coastal Storm Risk Communication. NOAA/Sea Grant Site Visit, Long Branch, NJ.
- Cuite, C.L.** (September, 2014). Walking school buses: How to get started in Metuchen. Presented to District parents on behalf of Metuchen Wellness Committee.
- Cuite, C.L.**, Shwom, R. (May, 2014). Best practices in coastal storm risk communication: Early findings. Invited presentation to the Sea Grant Coastal Storm Awareness Program meeting. New York, NY.
- Hallman, W. K., & **Cuite, C.L.** (October 21, 2011). Results of a national survey on Americans’ knowledge of food nanotechnology. Presentation to the Symposium - Understanding

Consumer's Acceptance of Food Nanotechnology: Research and Dialogue. New Brunswick, New Jersey.

Onyango, B, Hallman, W., & **Cuite, C.L.** (November 20, 2008). Reactions to deliberate food contamination (agroterrorism): Implications for risk communication. Presented at the National Communication Association Forum (NCA-F) pre-conference event "Terrorist Threat to Sunny City!" San Diego, CA.

Hallman, W.K., Condry, S.C., Vata, M., & **Cuite, C.L.** (February 6, 2007). Americans' perceptions of the threat of avian influenza in the U.S. food supply. Invited presentation to the Occupational Medicine Residents' Seminar, University of Medicine and Dentistry of New Jersey. Piscataway, NJ.

### ***For Credit Extension Teaching***

Created and taught course *American Food: Then and Now, A Course for Au Pairs*. Credit offered through Division of Continuing Professional Education, Rutgers University  
Summers 2017, 2018, & 2019

### ***Produced Extension video series on college student food insecurity in NJ***

Rutgers-New Brunswick Food Insecurity Screen and Intervene Program (2022).

<https://youtu.be/7eKqhlmUXEw>

Kean University Food Recovery Program (2022).

<https://www.youtube.com/watch?v=72NOFLlgrkg>

Middlesex College Full-Time Basic Needs Coordinator (2022).

<https://www.youtube.com/watch?v=GuHrYPryHUQ>

Ocean County Program on Social Work Students in Student Food Pantry (2022).

<https://www.youtube.com/watch?v=7U8nHDT5XC4&t=15s>

### ***Guest on Podcasts***

2021: Guest, Extension302 podcast, University of Delaware Cooperative Extension, Episode 22: Facing Fake News <https://www.udel.edu/academics/colleges/canr/cooperative-extension/about/podcast/>

2021: Guest, Extension302 podcast, University of Delaware Cooperative Extension, Episode 25: New Bioengineered Food Labels: Understanding your food. <https://www.udel.edu/academics/colleges/canr/cooperative-extension/about/podcast/>

2018: Podcast interviewee, Hurricane Evacuation Psychology, June 11, 2018. Clicksuasion Labs Podcast. <http://www.clicksuasion.com/hurricane-deathtron-3000-season-3-episode-8/>

2016: Podcast guest, Undark Podcast #9: The Flint Water Crisis Segment on Genetically Modified Organisms, November 30, 2016. Undark Podcast from MIT.  
<https://undark.org/2016/11/30/undark-podcast-9-flint-water-crisis-trump-gmo/>

### ***Extension Newsletters***

VanVranken, R., **Cuite, C.L.**, Melendez, M., Monzon, M. (March 8, 2022). RCE Seeks Input Regarding COVID-19 Resources For 2022 Season. <https://plant-pest-advisory.rutgers.edu/rce-seeks-input-regarding-covid-19-resources-for-2022-season/>

### **CONFERENCES ORGANIZED**

5/2022: Program Committee and Keynote Committee, 2022 National Urban Extension Leadership Conference, Camden, NJ.

2/2022: Lead Organizer, Envisioning Hunger Free College in New Jersey. Online conference hosted in collaboration with Rutgers Student Affairs and Hunger Free New Jersey.  
<http://ruoffcampus.rutgers.edu/envisioning-hunger-free-college-in-new-jersey/>

- 11/2021: Co-Organizer: Hungry to Learn. Hosted in Collaboration with the Rutgers Collaborative Center for Community Engagement and Service Based Learning (Online).
- 5/2021: Program Committee, 2021 National Urban Extension Leadership Online Summit (Online).
- 5/2019: Co-Founder and Co-Organizer, Department of Human Ecology Student Poster Session, New Brunswick, NJ.
- 11/2018: Organizing Committee Member, Rutgers Climate Symposium 2018: Climate Change and Food Security. Rutgers Climate Institute, New Brunswick, New Jersey.
- 8/2019 Co-Organizer, Breakfast After the Bell: Making it Work in Your School, a Webinar for School Leaders, with Hunger Free New Jersey.
- 1/2018: Co-Organizer, Basic Needs Insecurity in New Jersey Higher Education. Rutgers Against Hunger, Rutgers Student Affairs, Anti-Hunger Coalition of New Jersey, New Brunswick, New Jersey.
- 10/2016: Co-Organizer, Working Together for a Food Secure New Brunswick, Community Partner Meeting. New Brunswick Food Planning Roundtable, Heldrich Hotel, New Brunswick, New Jersey.

## **CLASSROOM TEACHING**

### ***Courses Created and Taught***

Data Analysis in Human Ecology; Department of Human Ecology, Rutgers University (Spring 2016, Spring 2017, Spring 2019)

Food Insecurity in New Brunswick: Honors College Byrne Seminar and Alternative Spring Break, Rutgers University (Spring 2020)

Food Insecurity in New Brunswick: A Service-Learning Approach; Byrne Seminar, Rutgers University (Fall 2018)

Rutgers 250: A Taste of Culinary History; Byrne Seminar, Rutgers University (Fall 2015 & Fall 2016)

### ***Courses Taught***

Research Methods in Human Ecology; Department of Human Ecology, Rutgers University, (Spring 2014, Fall 2014, Spring 2015, Fall 2015, Fall 2016, Fall 2017, Fall 2018, Spring 2020, Fall 2020, Spring 2021, Spring 2022)

General Psychology; Department of Psychology, Rutgers University (Summers 1996, 1997, 2000)

Health Psychology; Department of Psychology, Rutgers University (Summers 1998, 2002)

***Guest Lecturing***

February, 2022 Ethical and Scientific Challenges in Biotechnology I, SEBS, Paul Meers  
February, 2022 Ethical and Scientific Challenges in Biotechnology II, SEBS, Paul Meers  
February, 2022 Experimental Foods, SEBS, Salome Rao  
September, 2021 Advancing Community Development, SAS, Lisa Sanon-Jules  
April, 2021 Experimental Foods, SEBS, Salome Rao  
February, 2021 Science Communication, SEBS, Mary Nucci  
February, 2021 Ethical and Scientific Challenges in Biotechnology I, SEBS, Paul Meers  
February, 2021 Ethical and Scientific Challenges in Biotechnology II, SEBS, Paul Meers  
November, 2020 Theories and Reasoning in Human Ecology, SEBS, Rachael Shwom  
October, 2020 Advancing Community Development, SAS, Lisa Sanon-Jules, SAS, Lisa Sanon-Jules  
February, 2020 Issues and Concepts in Biotechnology I, SEBS, Paul Meers  
February, 2020 Issues and Concepts in Biotechnology II, SEBS, Paul Meers  
October, 2019 Principles of Health & Wellness, SAS, Francesca Maresca  
October, 2019 Advancing Community Development, SAS, Lisa Sanon-Jules  
February, 2019 Issues and Concepts in Biotechnology I, SEBS, Paul Meers  
February, 2019 Issues and Concepts in Biotechnology II, SEBS, Sonia Arora  
October, 2018 Principles of Health & Wellness, SAS, Francesca Maresca  
October, 2018 Advancing Community Development, SAS, Lisa Sanon-Jules  
February, 2018 Issues and Concepts in Biotechnology I, SEBS, Dawn Braesalme  
February, 2018 Issues and Concepts in Biotechnology II, SEBS, Paul Meers  
November, 2017 Risk and Society, SEBS, M. Robson & W. Hallman  
October, 2017 Advancing Community Development, SAS, Lisa Sanon-Jules  
March, 2017 Capstone in Human Ecology, SEBS, Peter Guarnaccia  
February, 2017 Issues and Concepts in Biotechnology, SEBS, Dawn Braesalme  
February, 2017 Issues and Concepts in Biotechnology, SEBS, Paul Meers  
October, 2016 Advancing Community Development, SAS, Lisa Sanon-Jules  
October, 2015 Nutrition for Today, SEBS, Deb Palmer  
August, 2015 Persuasive Communication, SC&I, Jack Harris  
October, 2014 Nutrition for Today, SEBS, Deb Palmer  
September, 2014 International Agriculture, SEBS, Albert Ayeni  
October, 2013 Nutrition for Today, SEBS, Deb Palmer

## STUDENT MENTORING

### ***Postdoctoral mentoring***

Sonya Ahamed, Mentoring team, Postdoctoral Associate on NSF Rapid COVID-INFEWS grant (2020-22).

### ***Supervision of Doctoral Theses as Primary Advisor***

Carl Leikhram, Primary Advisor, Higher Education Program, Graduate School of Education, Rutgers University, 2026 (anticipated).

Kelly Dietz, Primary Advisor, Higher Education Program, Graduate School of Education, Rutgers University, 2025 (anticipated).

Holly Berman Caggiano, Primary Co-Advisor with Rachael Shwom, Bloustein School of Planning and Public Policy, Rutgers University, 2021. Thesis: Household Change at the Food-Energy-Water Nexus: Expanding Social-Behavioral Science Perspectives.

Stephanie Brescia, Primary Co-Advisor with Florence Hamrick, Higher Education Program, Graduate School of Education, Rutgers University, 2020. Thesis: Food Insecurity at Rutgers New Brunswick: Three Investigations into the Personal, Academic, and Institutional Factors that Affect the Persistence of Food Insecure Students in Higher Education.

\*Winner of Excellence in Dissertation Award from the Graduate School of Education Alumni Association Executive Board

### ***Membership on Doctoral Thesis Committees***

Gina Pope, Member of Ph.D. Thesis Committee, Nutritional Sciences, Rutgers University, 2022 (expected).

Lauren Errickson, Member of Ph.D. Thesis Committee, Nutritional Sciences, Rutgers University, 2022. Thesis: Seafood Consumption, Preferences, and Product Labels in the U.S.: Connecting Nutrition, Sustainability, and Profitability.

Amy Rosenthal, Member of Ph.D. Thesis Committee, Planning and Public Policy, Rutgers University, 2020. Thesis: No Nation is Healthier than its Students: The Role of Students and Staff in the National School Lunch Program.

Nicole Gesualdo, Member of Ph.D. Thesis Committee, School of Communication and Information, Rutgers University, 2019. Thesis: Role and Functions of News Media in Policy Debates Regarding Taxation of Sugar-Sweetened Beverages.

Mingyue Zhang, Member of Ph.D. Thesis Committee, Nutritional Sciences, Rutgers University, 2017. Thesis: The impact of reference group and group norms on word-of-mouth communication of nutrition information on Facebook and intended behavioral change.

### ***Supervision of Master's Theses as Primary Advisor***

Michelle Jimenez, Primary Advisor, Department of Nutritional Sciences, Rutgers University, 2022. Thesis: Determinants of Food Insecurity in Undergraduate, Master's and Doctoral Students at a U.S. University.

Emily Santora, Primary Advisor, Nutritional Sciences, Rutgers University, 2022. Thesis: On-Campus Food Pantry Awareness and Use Among Undergraduate Students: Who Are We Missing?

Rebekah Jarvis, Primary Advisor, Nutritional Sciences, Rutgers University, 2021. Thesis: Food Purchasing and Consumption Trends During the 2020 Coronavirus Pandemic.

John Delos Reyes, Primary Advisor, Nutritional Sciences, Rutgers University, 2021. Thesis: Food Insecurity, Food Pantry Use, and Stigma: A Study of US Citizen and Non-Citizen University Students.

Marina Vineis, Primary Advisor, Nutritional Sciences, Rutgers University, 2020. Thesis: Screen and Intervene: Implementation of a Food Insecurity Screening and Referral Program in University Student Health Centers.

### ***Membership on Master's Thesis Committees***

Melissa Cudia, Member of Master's Thesis Committee, Nutritional Sciences, Rutgers University, 2022. Thesis: Relationships Among Mindful Eating and Weight-Related Behaviors of Young Adult College Students.

Kyra Tywanick, Member of Master's Thesis Committee, Nutritional Sciences, Rutgers University, 2022. Thesis: The Relationship Between Anxiety and Depression with Eating and Physical Activity Behaviors in University Students.

Melanie Kim, Member of Master's Thesis Committee, Nutritional Sciences, Rutgers University, 2013. Thesis: Nanotechnology and food: The Perception and Level of Acceptance of Nanotechnology Use in Foods.

### ***Other Supervision of Graduate Students (internships and research supervision)***

Spencer Gaylert (2023, Graduate) Intern on USDA SCRI project, Food and Business Economics, SEBS, Rutgers University, 2022-present.

Labeeqa Khizir (2025, Robert Wood Johnson Medical School) Veggie Rx Research Co-Mentor, 2021-present.

Srivarsha Kaloth (2025, Robert Wood Johnson Medical School) Veggie Rx Research Co-Mentor, 2021-present.

Jonathan Brisbon (2024, Robert Wood Johnson Medical School) Veggie Rx Research Co-Mentor, 2021-present.

Aleksandra Hussain (2023, Robert Wood Johnson Medical School) Veggie Rx Research Co-Mentor. 2021-present.

Michael Monzon (2023, Graduate) Intern on Extension Foundation EXCITE project, SEBS, Rutgers University, 2021-22.

Maureen Haque (2024, Robert Wood Johnson Medical School) Veggie Rx Research Co-Mentor, 2020-22.

Mohana Biswas (2023, Robert Wood Johnson Medical School) Veggie Rx Research Co-Mentor, 2020-22.

Jack Hayes (2022, Robert Wood Johnson Medical School) Veggie Rx Research Co-Mentor, 2019-2022.

Keshav Patel (2022, Robert Wood Johnson Medical School) Veggie Rx Research Co-Mentor, 2019-2022.

Sofia Medina Pardo (2021, Robert Wood Johnson Medical School) Veggie Rx Research Co-Mentor 2019-2021.

Julia Zheng (2021, Robert Wood Johnson Medical School) Veggie Rx Research Co-Mentor, 2019-2021.

Anna Levitt (2021, Robert Wood Johnson Medical School) Veggie Rx Research Co-Mentor, 2019-2021.

Joshua Gilens (2019, Robert Wood Johnson Medical School) Veggie Rx Research Co-Mentor, 2018-2019.

Genesis Arteta (2018, Graduate) Master's Internship Mentor, Planning and Public Policy, Bloustein School, Rutgers University, 2017-2018.

Mehreen Ismail (2014, Graduate) Master's Internship Mentor, Public Health, University of California, Berkeley, 2014.

***Supervision of Undergraduate Students (Honors Theses, Independent Studies, and Internships)***

Diane Zaragoza (2023, Undergraduate) EPIB. 2022 Research Internship Advisor.

Conor Duca (2023, Undergraduate) EPIB. 2022 Senior Capstone Project Advisor.

Isabel Craig (2023, Undergraduate) EPIB. 2022 Research Supervision.

Carli Keefer (2023, Undergraduate) EPIB. 2021 Internship Advisor.

Gabrielle Gilham (2023, Undergraduate) EPIB. 2021 Internship Advisor.

Corrinne Davis (2022, Undergraduate) EPIB. 2021 Research Supervision.

Parker Herrera (2021, Undergraduate) Food Science, 2018-21.  
2020-21, George H. Cook Honors Thesis Reader  
2018-20, Research internship co-Advisor

Celine LaBelle (2020, Undergraduate) Public Health, 2019-2020 George H. Cook Honors and Bloustein School Honors Program Thesis Advisor.

Stephanie Cain (2020, UG) Exercise Science, 2020-21, Independent Research Advisor.

Brooke Margolin, (2021, UG) UG Spring Break Leader and TA 2020, Honors College Byrne Seminar.

Tom Lehan (2020, UG) UG Spring Break Leader and TA 2020, Honors College Byrne Seminar.

Prasiddha Sudhakar (2020, Undergraduate) Computer Science, 2019-2020 Research Internship Project co-Advisor.

Tyra Aversa (2019, Undergraduate) Public Health, 2018-2019 Honors College Capstone Research Project Advisor.

Danielle Heaney (2019, Undergraduate) Food Science, 2017-2019.  
2018-19, George H. Cook Honors Thesis Advisor  
2017-18, Aresty Research Project co-Advisor

Puja Mahendra (2019, Undergraduate) Mathematics, 2017-2019.  
2018-19, Aresty Research Project Advisor  
2017-18, Independent Research Advisor

Matthew Civile (2019, Undergraduate) Public Health, 2017-2019.  
2018-19, Aresty Research Project Advisor

2017-18, Independent Research Advisor  
Kyra Frank (2018, Undergraduate) Psychology, 2017-2018 Aresty Research Project co-Advisor.  
Shannon Kaplan (2018, Undergraduate) Human Ecology, 2017-2018, George H. Cook Honors Thesis Reader.  
Dereck Leckner (2018, Undergraduate) Human Ecology, 2017-2018 George H. Cook Honors Thesis Advisor.  
Chioma Nwankwo (2018, Undergraduate) Human Ecology, 2015-2018 Independent Research Advisor.  
Maria Salas (2017, Undergraduate) Educational Opportunity Fund, 2017 EOF Research Advisor.  
Isabel Rodriguez (2017, Undergraduate) Human Ecology, 2016-17 Independent Research Advisor.  
Brian Caycho (2017, Undergraduate) Human Ecology, Rutgers University. 2016-2017 George H. Cook Honors Thesis Reader.  
Rupika Ketu (2017, Undergraduate) Human Ecology, 2016-2017 Independent Research Advisor.  
Kelsey Kaskoun (2017, Undergraduate) Public Health, 2017 Public Health Undergraduate Internship Advisor.  
Eliana Rips (2017, Undergraduate) EPIB, 2016-17 Independent Research Advisor.  
Alexander Toke (2015, Undergraduate) EPIB 2014-2015, Aresty Research Advisor.  
Sam Judkis (2014, Undergraduate) 2014 Post-Graduate Internship Advisor.  
Natasha Sastri (2013, Undergraduate) Public Health. 2012-2013 Undergraduate Research Advisor.  
Shane Prate (2013, Undergraduate) Human Ecology, 2011-2013 Independent Research.  
Meera Dhawan (2013, Undergraduate) Engineering, 2013 Independent Research Advisor.  
Michael Varco (2012, Undergraduate) Human Ecology.  
2011-12 George H. Cook Honors Thesis Advisor  
2010-11 Aresty Research Project Advisor  
Nathaniel McLaughlan (2012, Undergraduate) 2012 Post-Graduate Research Internship.  
Albert Needleman (2012, Undergraduate) Human Ecology. 2012 Independent Research.  
Guarav Bharga (2010, Undergraduate) Public Health. 2009-10 Aresty Research Project Co-Advisor.

## **SERVICE**

### ***Professional Affiliations: External***

Member, Society for Nutrition Education, 2020-current.

Co-chair, Food Insecurity in Higher Education Subcommittee, 2021-present.

Leadership Team member, Higher Education Division, 2021-present.

Member, College Student Food Insecurity Subcommittee, 2020-present.

Reviewer, Annual Student Awards, 2022.

Member, Society for Risk Analysis; 2007-current.

Treasurer, Risk Communication Specialty Group, 2018-2019.

Member, Risk Communication Specialty Group, 2007-current.

Member, Epsilon Sigma Phi, Sigma Xi Chapter; 2015-2020.

***Professional Affiliations: Community-Based***

Founding Member, NJ Hunger Free Campus Network, with Hunger Free NJ, 2022-present.

Member, Migrant and Seasonal Farmworker Coalition, 2021-present.

Member, New Jersey Advisory Work Group, Assessing the Landscape of Hunger and its Solutions in New Jersey, Food Research and Action Center and Robert Wood Johnson Foundation, 2021-present.

Member, NJ Food Democracy Collective, 2020-present.

Founding member, Metuchen Edison Assistance League (emergency feeding providers), 2019-present.

Operations Committee member 2019-2020.

Board of Directors, Meals on Wheels of Greater New Brunswick 2010-current.

Vice President 2012-17.

Chair of Emergency Management Subcommittee since 2013-2021; led organizational COVID-19 response.

Conference committee, Famine Weekend, First Presbyterian Church Food Pantry, Metuchen, NJ 2019-2021.

Member, New Brunswick Community Food Alliance, 2012-current.

Member, Hunger Free New Jersey (formerly New Jersey Anti-Hunger Coalition), 2014-current.

Member, Feeding New Brunswick Network, 2014-current.

Participant, Why Hunger and Closing the Hunger Gap, Racial Equity Workshop, Washington DC, 2019.

Planning team member, Keep Middlesex Moving, Metuchen Schools Working Group for the School Travel Plan, 2016.

***Expert Reviews and Consultations***

Expert Reviewer, Assessing the Landscape of Hunger and its Solutions in New Jersey, Food Research and Action Center and Robert Wood Johnson Foundation, 2021-2022.

<https://frac.org/research/resource-library/nj2022>

Expert Reviewer and Contributor, Sustainable New Jersey Food Team, Sustainable Jersey. 2020-22.
